The Relevance of the Reformation Learning from the Past, Living in the Present

Have you ever wondered how the Protestant faith began? It is a fascinating journey out of Catholicism. Five hundred years ago the church was in darkness, the Gospel was shrouded, and the Bible was closed. In 1517, Martin Luther, a monk in the Catholic Church fanned the flames of a Reformation for the Glory of God. The Reformation is very important to us, for without it we would not have the Protestant Faith, hence there would be no Baptist. We will be examining the major events and figures of this Reformation and what we have inherited from them.

I believe that out of the study of the Reformation, Revival will come to us just as it did for the church during Martin Luther's time. Most Christians really don't know the history of the Protestant faith, thereby losing much when studying the Bible. Set aside February 25-28 each evening at 7pm for this study. Rev. John Blackmon, pastor of the Meansville Baptist Church will lead our study of the Reformation. You will enjoy John he is a wonderful young pastor and has become a dear friend.

This is going to a great time for our dear church!

Remember, God loves you and so do I.
